0 of 0 review helpful Wow By Quanah Edwards This is my God sister so I know a lot of the people in this book It was

eye opening and sad and beautiful This book takes one into detail about the first 18 years of my life The first 18 years of my life was very dramatic traumatize and harsh This book takes the reader into great details about the trail and tribulations of my life In additional to the first 18 years of my life I take the reader into a positive realm to some inspirational movement at the end of the book As I go through each event the reader get a vivid picture in their minds It touches your emotion in
