2 of 2 review helpful. A must-read book. By Ami Piscine. Wow, I can't say enough of this GREAT book. As an immigrant, I am so grateful that I had the opportunity to read this AMAZING book. It reminded me one more time how lucky we are to live in this great nation. It is so well written and easy to read that I did not want to put it down and I made everyone in my family read it and fell in love with it. I would rate it a book in search of a true recognition of America's generosity towards others and to say at last "Thanks America" openly.
