13 of 13 review helpful Don't Judge By Marissa Palmer Welcome to the world of jealousy deceit and just pure craziness Jazz is trying her best to live right in her crazy environment but with family like Yay Yay it is hard Yay Yay is truly a product of her environment No one has ever showed her love which has turned her into a bitter person that cares about only Yay Yay Jazz has also been trying to save herself will Six months after her mother's death Jazz is determined to start the healing process and follow her dreams It's almost impossible to enjoy her today's and prepare for tomorrow when her other half is drowning in depression Just like any real woman who loves their man Jazz stands by his side and slowly but surely the sun is starting to shine And then boom thunder and lightning makes it's presence known Jazz is left standing in the storm alone and hurt by those she thought I can remember when Aleta first started in this game and from that time up until now She has grown so much as an author and has definitely made an amazing name for herself as one of the best urban female writers nbsp La Tonya West author o
