By Ruth N King : The Pain Behind My Smile on good friday march 25th at 620 pm after a very long battle with alzheimers i said good bye to the very best person i have ever known my dear mom i was 16 years old i was given a

new name and then i was drugged i didnt like the iv my dad held my hand but i started to get really fidgety they upped
The Pain Behind My Smile:

0 of 0 review helpful Nothing is impossible By Books This book is simply AMAZING I love how the author took the reader and showed them the character s point of view from when she was a Adult Teenager and last but not least a little girl This book shows you examples of situations that happen in foster homes that are swept under the rug I myself was in foster homes and even though this book is fiction but is based on a We all have our own story to tell and although no two stories are the same The fear The pain The rejection and disappointments are identical We all respond differently to life situations Either they be good or whether they be bad We don t think the same But we can all have the same thoughts We don t look the same But we can wear the same hair do haircut or wear the same dress or pants I read your thought No not even identical twins One might be t
