1 of 1 review helpful Look a here now By Reading Deeva Ok ok ok so everyone is getting wrapped up in some more

bull Marcus and Charlene omg I wasn't expecting that Not at all And poor Dewayne that ending was something serious and I know Bang is not an innocent in all this I'm guessing He's got a part to play in these schemes and shenanigans in some kind of way I just feel it And Lolly no words The moment that you've been anticipating is finally here The infamous Miss Gutta is finally back along with the rest of the crew And as usual drama seems to always lurk As we return Charlene Marcus are now facing an obstacle that may finally be the demise of their relationship Has Gutta finally managed to lose the love of her life for good Or will their unconditional love and strong bond continue to see them through DeWayne is faced with a serious dilemma About the Author Redd is the best selling author of the ENOUGH OF NO LOVE SERIES THE GUTTA SERIES and also the number 1 best selling series CAN'T RAISE A MAN for more information on upcoming books and events check her out at <http://reddqueenwitapen.tumblr.co>
