1 of 1 review helpful Envy and Envious By Tanya Garry Queen Fatima is a miserable jealous woman who feels if she couldn't have what she wanted or who she wanted She would destroy anybody else happiness I felt sorry for Omari because he was chasing after a woman that would never be his Ki really was dependent upon RaMeer but as the story goes on there was a good reason why They had a bond that couldn't be broken No matt Rameer Banner is fine as hell with buku money and the sex will make you delirious He's the kinda dude that gets what he wants when he wants He owns it After 8 years of Rameer playing with her heart Ki is done Forget the sex she's moving on or so she tries Getting away from Rameer gets easier when a handsome detective catches her attention But Ki can't move on Rameer isn't having that Will trying to let go cost her more than love Take a wild ride with About the Author Hailing from Long Beach California K Aliyah Knight is a young newbie author Don't let the title fool you her debut Rock City A Crazy Hood Love Story is currently rocking the best sellers list With mentors such as Aleta Williams from Alana
