abdomen accompanied by nausea gallstones I Love This Pain I (Volume 1):

3 of 3 review helpful Definite Must Read By Kim T I was on awe I couldn t put it down I loved the relationship with Pain Kamille She was a child living an adult life but she met someone who was what she needed I loved the book I just wished he didn t keep so many secrets from her They were the ideal couple I can t wait for the next installment Zi ere you have a new fan The book was very intriguing I don t gi Where there is love there is bound to be some pain For a young woman who has her life mapped out after college a love interest isn t on her to do list We all know how life works though just because Kam isn t looking it didn t mean love wasn t searching for her Young love is fast and reckless Kam has to grow up quick and realize book smarts mean nothing when it comes to matters of the heart About the Author When I write 9 times out of 10 I am looking to take you from your present life and insert you into a life of pure fictional bliss YES it s over the top YES it s unbelievable it s fiction As a woman I LOVE romance and all elements of it
