By Horace Waller : The Last Journals of David Livingstone Volume II read the recommendations for the conduct reporting editing and publication of scholarly work in medical journals browse download the lancet is a weekly peer reviewed general medical journal it is one of the worlds oldest and best known general medical journals the lancet was founded in 1823 The Last Journals of David Livingstone Volume II:

The new year opened badly enough and from letters he wrote subsequently concerning the illness which now attacked him we gather that it left evils behind from which he never quite recovered The following entries were made after he regained sufficient strength but we see how short they necessarily were and what labour it was to make the jottings

which relate to his progress towards the western shore of Lake Tanganyika Notice This Book is published by Historical Bo
