By Mikhail Bulgakov : ??? ????? [Don Kikhot]: A Dramatic Adaptation (Texts and Translations) (Russian Edition) ??? ????? [Don Kikhot]: A Dramatic Adaptation (Texts and Translations) (Russian Edition):

When Soviet censors approved Mikhail Bulgakov's stage adaptation of Don Quixote they were unaware that they were sanctioning a subtle but powerful criticism of Stalinist rule. The author whose novel would eventually bring him world renown achieved this sleight of hand through a deft interpretation of Cervantes's knight. Bulgakov's Don Quixote fits comfortably into the nineteenth century Russian tradition of idealistic fiction. This volume has great merit and will be valuable in advanced Russian language classes, in Russian literature courses on Bulgakov, or in classes on Soviet culture or theater.
