1 of 1 review helpful Loved this book By Gradene Gerbert I have known Richard since he was in Elementary school

he and my daughter were classmates in school Richard had given my daughter a copy and I saw the book at her house The title intrigued me I thought it must be about John Wayne s Christian experiences I was surprised that it was not I am a Christian I love Jesus and I am a huge John Wayne fan when I saw w ldquo Are you a terrorist rdquo the officer asked me in broken French English through the big smile on his face I smirked and answered back ldquo I have been accused of that rdquo The smile left his face and I figured out pronto that my Texas sense of humor was not appreciated and an African prison could be in my future This is a story at once simple and complex and you will find yourself laughing on one page and tearing up on the next In the alien landsca
