From James Currey : African Theatre 11: Festivals as a former guest editor of african theatre special issues 6 and 10 i am aware of the difficulties which accompany the task of achieving a balanced issue on jan 1 2013 david kerr published african theatre 11 festivals by james gibbs ed review African Theatre 11: Festivals:

During the last fifty years large sums of money huge resources of labour and vast amounts of creative energy have been invested in international theatre festivals in Africa Under banners such as Reclaiming the African Past and African Renaissance the festival participants have used the performing arts to address a variety of topical issues and to confront images embedded by a century of patronising colonial expositions The themes indicate the desire to take hist
