from a library the girl in the yellow dress craig higginson this play centers on a love story set in paris between two apparently disparate characters The Girl in the Yellow Dress (Oberon Modern Plays):

A new gripping psychological drama The Girl in the Yellow Dress centers on a love story set in Paris between two apparently disparate characters one a UK teacher and the other her Congolese student This gripping two hander is a highlight of the Traverse programme Higginson packs a lot in under the seemingly innocuous guise of a young English woman giving language lessons to a French Congolese student in contemporary Paris Fiona Mountford Even
