By Wole Soyinka : The Invention and The Detainee securus technologies facility customers comment on using technology to solve and prevent crimes commerce is quot;the activity of buying and selling especially on a large scalequot; commerce includes legal economic political social cultural and technological The Invention and The Detainee:

This is the first formal publication of two early plays by Soyinka The Invention 1959 and The Detainee 1965 Widely

regarded as Soyinka's first play. The Invention reflects the obsession with race that marked the apartheid regime and prophetically depicts the beginnings of the crumbling of the apartheid system in the futuristic setting of Johannesburg in 1976. It expresses the concern of the African diaspora with apartheid, which was felt to be an affront to the
