By Priscilla Koranteng : Janju: A Village Girl in a City World Janju: A Village Girl in a City World:

The mansions the lights and the spa all seem foreign to Janju Janju s school is totally different from her village school too Lets see how Janju navigates her new world as she struggles to redefine herself and find her place amid the city elite Feeling outcast at school and missing her village Janju learns what it means to come up against cultural and societal difference yet again persevering through the hard times to come of age and blossom as a leader friend
