warning signs we were dealing with chaos far worse than Agony of a Child:

George is relieved of his job and evicted from the company's residential quarters as a result of false allegations of theft in his office. Life, which has always been a bed of roses for him and his family, turns out to be a nightmare as they are rendered homeless and subjected to penury. The demerits of having a handful of children is realised as the family's misfortune continues to ravage George emotionally and physically. Meanwhile, as poverty bites deeper into the family,
