very likely a grande dame her word *Crowning Glory* (Oberon Modern Plays):

In a world saturated with images of unrealistic and unobtainable beauty how do women see themselves? *Crowning Glory* is a new play that explores some of the ways in which mainstream Western definitions of beauty in today's world affects the way women see themselves. It challenges us to question our own personal perceptions of beauty and ask who exactly sets these ideals. About the Author Somalia Seaton is an actress and writer. She trained at East 15 Acting School on the BA Hons Contemporary Theatre course. Her debut play *Crowning Glory* returns to Theatre Royal Stratford East following a sell out success at last year.
